

The faculty of the College of Arts and Sciences resolves not to implement the changes proposed by the PPRC within the coming academic year (2019-2020), pending the creation of a task force to study the effects of the proposed changes on students, faculty, and the University. The task force, composed of, and elected by, the faculty of the College of Arts and Sciences, would also explore possible alternatives that would address both the University's practical needs and the mission and needs of the College and its students.
